Central Charlotte County Drainage District

Goals and Objectives

Outcome

Fiscal Year 2025-26

Goal #1: **Conclude the legal process of extending the life of the Drainage District**

Completed. The order extending the life of CCCDD was approved by the 20th Judicial Court on December 17, 2025. Life of the Drainage District was extended for thirty (30) years.

Goal #2: **Prep for new engineering study**

Talks continue with local engineering firms to obtain estimates of the cost of an updated water control plan/new engineering study. Efforts will continue into the new fiscal year.

Goal #3: **Prepare for mechanical cleaning of ditches and debris removal**

No action taken to date. This goal will move into the new fiscal year.
